Share of McLean: A Helping Hand in Our Community Since 1969

In our community, there are 1,400 households relying on life's basic needs: food, clothing, and shelter.

These are individuals and families facing financial challenges, seniors living on fixed incomes, and those without stable housing.

Our Pantry Offers Nourishing Food and Clothing Essentials to Help our Neighbors Live with Dignity

At the heart of Share's mission is the Food and Clothing Pantry—our most recognized program.

From non-perishable staples to fresh food, seasonal clothing, and household goods, the pantry offers essentials that help our neighbors get by.

It's a vital resource for families working hard to make ends meet, ensuring they have access to nourishing food and warm clothing.

From our Neighbors, for our Neighbors: Our Pantry Donations Come from a Caring Community

FOOD DRIVE

Almost every item we distribute in our pantry comes from generous donations by individuals, community food drives, and local businesses.

Each month, we provide over 900 bags of groceries to families in need.

Back-to-School and Holiday Programs Bring Comfort and Cheer to Children and Families

Share's Back-to-School and Holiday Programs bring relief and joy to families when it matters most.

We provide school supplies to help children start the year ready to learn—and holiday gifts that let families celebrate with dignity and joy.

These programs offer more than just essentials: they bring hope, comfort, and the chance to enjoy meaningful moments together.

Share's Family Assistance Program Provides a Little Help with Emergency Expenses

Share's Family Assistance Program offers emergency financial support to neighbors facing urgent needs, covering essentials like rent, utilities, medical care, prescriptions, and more.

It's a lifeline during times of crisis, helping families stay safe, healthy, and housed.
