

Group Activities in support of Share of McLean

Share of McLean invites organizations to help support our clients by purchasing and assembling kits for distribution during pantry service days. The following pages highlight some of the items most frequently requested by the individuals and families we serve.

We kindly ask that groups assemble a minimum of 25 kits of the same type.

Prior to delivering completed kits, please email info@shareofmclean.org so we can ensure adequate storage and distribution space within the pantry.
